

Charlotte Real Estate Social Media and Internet Visibility Training

Friday March 26th in Charlotte NC

How to Drive Google, Search Engine Traffic, and your Customers to your Website using Social Media and Networking Websites

Social Networking Websites such as FaceBook and Twitter connect us to the people we know - Isn't time to connect with Google; The Closer we are to Google the Closer our Customers are to us...

John and Angie Byers, the Exit Realty Broker/Owners of [Charlotte NC](#), are inviting their fellow Broker/Owners in the region and their Exit Agents to attend a special training on Real Estate Internet Marketing and Social Networking Friday March 26th, 2010.

Social Networking is a fundamental change in our society; it allows us to connect with our friends and customers via the internet and smart phones... it helps us stay in touch with those we care about, work with, and share with them what we are up to.

My question to you is: **What if Google was one of your Social Networking Friends?** Think about this: What if every time you had something special to share Google told everyone for you? and I mean Everyone on the Internet... Well Google tells everyone by ranking their stories and expertise – Shouldn't you learn how to do this to benefit your clients?

4401 Barclay Downs Dr, Ste 1, Charlotte, NC 28209 - (704) 602-9900

Duration: 5 hours – lots of breaks will be offered.

My Commitment: To empower you to take on the internet like never before and show you what your Buyers, Sellers and Google want... I will also give you a methodical plan of action to get you going or tweak what you are currently doing...

This training was designed to first demystify Social Networking, and furthermore allow Real Estate Professionals to attract Google and Search Engines to your content, Blogs, and Website; remember "those you don't know" are searching for Real Estate on Google NOT FaceBook...

This is a Strategy Training that covers Micro-Blogging, RSS Feeds, Twitter, Trulia, FaceBook, Blogs, and other Social Networking Hubs to drive traffic to your website... once you understand that the

essence of the internet are links, well placed links, well-written links, Google will learn to translate your intention into visibility.

My trainings are designed to support Real Estate Professionals and Brokers devise an Internet Presence that produces results and transcends the arduous jargon of [SEO](#) and Confusion that floats around the Real Estate Industry. Keep this fact in mind: [Internet Agents Earn 3 times the Income of Traditional Agents \(\\$100K+ versus \\$36K.\)](#)

The Training goes beyond Internet and SEO Jargon and into a Successful Real Estate Internet Strategy

I will cover the following topics in the Seminar:

1. What is Social Networking? Let me share a quick answer: Content that Leads to you... Hmm...
2. Should you 'Social Network' and How? Well you already do... what if you did it right - and I mean to also attract Google?

Testimonials from Previous Trainings:

"I've been pretty successful in real estate with several very large companies. Never, EVER, did I ever get training that is so impactful, useful, and results oriented. All this and you somehow keep it simple enough for beginners to jump right in. My challenge is to keep up with internet marketing and you've taken me to the next level in just one easy, enjoyable class. I thank you and my office thanks you!" - **Jae Kim - Broker/Owner of Exit Real Estate Solutions in Columbia South Carolina.**

"Thank you so much for offering this training on web strategy. It is great to see your passion and enthusiasm. I would recommend any agent that has the time and energy to invest in their web strategy and their business to sign up for the next class available with Key. In fact I would recommend it sooner than later because one day soon Key will figure out the info is near priceless and he might try to charge what it is worth! (Ha Ha) You can pay thousands to the big SEO companies or you take the classes offered by Key and do it yourself." - **Jason Jacques, Broker/Owner of Exit Realty in Brevard NC** - [Brevard NC Real Estate](#)

"I attended the web strategy training with Key on Tuesday the 14th of July and the content and method of presentation was phenomenal, but I was totally sold when after following his steps, I got the first 5 returns out of 10 on page 1 of Google. That is 50% coverage on page 1 of the search engine that has over 72% of all search traffic, AMAZING. All I did was I can't tell you! You have to join EXIT and take the course so Key can get your mind right for the Google Juice."

Thanks, you have brought many things into perspective for me in Real Estate. I will stop the unproductive and focus on the productive again." - **Mike Grumbles - CFO EXIT MidSouth Realty in Tennessee.**
