Real Estate Web Strategy

Going beyond the Internet Jargon and into a Successful Real Estate Web Strategy

Do you plan to get a website? Do you have a website that's stagnant? Do you feel overwhelmed with the whole endeavor? This is the Seminar for you... many of you have sluggish websites that are not producing any results... so what to do?

I designed this course to go beyond the mere discussion of need; to the design of a Real Estate Web Strategy that drives traffic and results. You will leave empowered and with a plan of action and a full-understanding of what is currently happening in the realm of Real Estate Websites.

I am Vendor-Agnostic and will share with you what I have seen work; I will show you what to demand from your vendor and will help you make the right decision. It is not the Vendor that matters; it is your habits and discipline I am going to focus on...

This course was designed to enhance the ability of [Real Estate Professionals](#) to compete in an ever increasing spirited Internet Landscape...

This course used to be called: "**I don't have a Web Strategy – How do I get started?**" **It has now evolved to include all the major topics of Real Estate Internet Strategies.** Bring your assistant, your web guru, your cousin Vinnie who dabbles in websites – they will learn how to help you focus on the most important part about having a Real Estate website. Realtor Websites are of a different nature than regular ones – I will explain all this in the class...

I will cover the following topics in the Seminar:

1. Should you get a Real Estate website? And why?
2. How do you select the best Web Services? What are the important tools of a R.E. Website?
3. Domain Names: How do I get one? Where and How much?
Should I get more than one? And why? How do I hook them up together?
4. How do I get started?
Will I be able to understand the Web jargon? (Let me give you the answer: **Yes**)
5. How expensive is it going to be? (I will show you how to get started for **FREE!**)
6. How much work will I have to put in? Is it worth the effort? And how often?
7. What is IDX? And do I need it? Shouldn't I just use my MLS IDX? And what is Sticky IDX?
8. How about Blogging? Is it important?
9. How can my Assistant help me grow my website?

I will have time for all your questions...

"Thanks so much for coming to Beaufort -- you are a genius, not an ordinary person at all. If I just had \$5,000, I could have you sitting by my computer to "show and tell" and then I would learn blogging, advertising on the Net, etc. the right way! Best of luck to you in all you undertake, Your friend." - **Linda Yates-Williams, Exit Broker, Exit Realty of Hilton Head.** *Attended Real Estate Web Advanced Strategy in Beaufort SC on April 15th, 2009.*

"Key, Thank you for the call yesterday, I am so sorry I missed you. I was out looking at a piece of land for a client and it's easy to lose connectivity out here in these mountains. I just couldn't wait to tell you about my first try. I noticed after sending you the link to my blog, that none of the links I had put into my blog were working-so I went back to the site to edit it. When I got up this morning and "googled 'Murphy trout streams" I was #s 1&2 on page 1!!! I couldn't believe it. The Bot had picked up both my blog and my corrected one...this is just TOOO COOOOL as my grandson would say. Thank you again. I look forward to our next class. Kaye." - **Kaye Phillips, Realtor, Exit Realty Mountain View Properties.** *Attended Real Estate Blogging Strategy on April 8th, 2009.*
