"Thank you so much for offering this training on web strategy. It is great to see your passion and enthusiasm. I would recommend any agent that has the time and energy to invest in their web strategy and their business to sign up for the next class available with Key. In fact I would recommend it sooner than later because one day soon Key will figure out the info is near priceless and he might try to charge what it is worth! (Ha Ha) You can pay thousands to the big SEO companies or you take the classes offered by Key and do it yourself." - **Jason Jacques in Brevard NC**

"I attended the web strategy training with Key on Tuesday the 14th of July and the content and method of presentation was phenomenal, but I was totally sold when after following his steps, I got the first 5 returns out of 10 on page 1 of Google. That is 50% coverage on page 1 of the search engine that has over 72% of all search traffic, AMAZING. All I did was ..... I can't tell you! You have to join EXIT and take the course so Key can get your mind right for the Google Juice."

Thanks, you have brought many things into perspective for me in Real Estate. I will stop the unproductive and focus on the productive again." - **Mike Grumbles in Tennessee**

"Before we attended four of Key Yessaad internet / blogging / database / web strategy events in 2009, our internet traffic and leads "trickled in" on occasion. Within a few short months our traffic tripled and has continued to climb each month. We never worried before, because "we didn't know what we didn't know". Now that we are "Enlightened", we have formed productive web habits, our expectations are higher, and we are extremely optimistic about our expectations for increased web traffic (and Sales Success). Key was the "Key" in 2009 and we can't wait for even more in 2010!" - **John and Angie Byers in Charlotte North Carolina.**

---

"Key, thanks again for the outstanding training/information/guidance/and "kick in the pants" you provided yesterday, March 19 for the EXIT agents in the Columbia area. Your enthusiasm is tremendous and the knowledge agents now have will allow them to properly position themselves in their respective markets. We look forward to seeing you again in May!" - **Craig Summerall in Lexington SC**
