

Clarksville TN Real Estate Training: Internet Marketing Success

Monday February 1st 2010 in Clarksville Tennessee

You must understand Internet and Blogging Marketing! – Let's get the knowledge and habits of working on your website for Organic Google Visibility...

The Brokers of Exit Realty in [Clarksville Tennessee](#), **Verisa Reynolds** and **Cheryle Strong**, in conjunction with [EXIT Midsouth](#) invite their Real Estate Professionals and Colleagues to attend a special training on Real Estate Internet Marketing - Internet Visibility and Google Ranking.

You have heard that content is king; so how do you go about adding content to your website so Search Engines and clients can find you; better yet rank you as a Real Estate Professional. This One-Day Workshop was designed for Realtors and Brokers who have a website or Blog, can access its content, but not sure on how to

use it properly to generate Organic Traffic. You understand that working on your website is part of your business routine... *"But I have content that comes with my website?"* you say... and so does everyone else... Generic content is everywhere and leads nowhere; those who optimize it the right way and create good internal and external links will become visible...

Location: [EXIT Realty Clarksville](#) Office - 1289 Northfield Drive, Suite 3, Clarksville, TN 37040 - Office Number: (931) 647-9900 - [Map it](#).

Date: **Monday, February 1st, 2010** – 9:30am (please start arriving at 9am)

Duration: 5.5 hours – ample breaks will be offered.

Cost: **\$59** (please make checks payable to: Key Yessaad and hand them to your broker. I asked them to hold the checks until I have delivered the training.)

My Commitment: To liberate you from your fear of the internet and show you what your Buyers, Sellers, and Google want... (When we get Google to care - our future customers will find us...) I will also give you a methodical plan of action to get you going or tweak what you are currently doing...

Google Visibility is about properly placed links...

I believe that those who bring their web services and processes in-house will succeed. The days of calling an external "Web Designer" or "Tech Guy" to maintain your day to day pages are over... There is still value on having Web Professionals get you going but it is a shared responsibility; in fact your Web Designer" should be following your lead NOT the reverse... It is neither the Vendor nor the Product that matters; it is your habits and discipline I am going to focus on... Your strategy must lead to Google Visibility...

This Workshop was designed to enhance the ability of Real Estate Professionals compete in an ever increasing spirited Internet Landscape...

Main Topic: **How to rank in Google Organically and provide Internet Marketing to your clients**

The training will include the following ideas and strategies:

1. What is Internet Marketing? you may think you know the answer - the ideas will challenge you and will give you an edge over your competition.

Testimonials from Previous Trainings:

"I attended the web strategy training with Key on Tuesday the 14th of July and the content and method of presentation was phenomenal, but I was totally sold when after following his steps, I got the first 5 returns out of 10 on page 1 of Google. That is 50% coverage on page 1 of the search engine that has over 72% of all search traffic, AMAZING. All I did

was I can't tell you! You have to join EXIT and take the course so Key can get your mind right for the Google Juice."

Thanks, you have brought many things into perspective for me in Real Estate. I will stop the unproductive and focus on the productive again." - **Mike Grumbles - CFO [EXIT MidSouth Realty](#) in Tennessee.**

"Thank you so much for offering this training on web strategy. It is great to see your passion and enthusiasm. I would recommend any agent that has the time and energy to invest in their web strategy and their business to sign up for the next class available with Key. In fact I would recommend it sooner than later because one day soon Key will figure out the info is near priceless and he might try to charge what it is worth! (Ha Ha) You can pay thousands to the big SEO companies or you take the classes offered by Key and do it yourself." - **Jason Jacques, Broker/Owner of Exit Realty in Brevard NC - [Brevard NC Real Estate](#)**

"Key, thanks again for the outstanding training/information/guidance/and "kick in the pants" you provided yesterday, March 19 for the EXIT agents in the Columbia area. Your enthusiasm is tremendous and the knowledge agents now have will allow them to properly position themselves in their respective markets. We look forward to seeing you again in May!" - **Craig Summerall, Broker/Owner Exit Real Estate Consultants, Lexington SC.** Attended Real Estate Blogging Strategy in Columbia SC Thursday March 19th. "Incredible, barely describes the level of expertise of Key Yessaad. I have personally met with web designers, programmers, IT gurus, etc. Their combined knowledge doesn't even equal the holistic approach of Key's understanding of the web. I have spent tens of 1,000s of dollars for the "perfect" website and lead capture systems, with poor results. After attending a 4 hour Blog training session with Key, I posted 2 Blogs and was on page 1 of Google in position 1,2 4 and 6 and had 2 sellers contact me within 72 hours ."

"Key not only shows you how the internet and Goggle work, he also teaches you everything you need to know to start building Goggle visibility for your web-site. Every class has an action plan for the student to implement. The methods and techniques are valid and verifiable. The potential power of understanding and implementing the strategy is unlimited.
