Google Visibility is about content and properly placed links...

I believe that those who bring their web services and processes in-house will succeed. The days of calling an off-site "Web Designer" or "Tech Guy" to maintain your day to day web pages are over... There is still value on having Web Professionals get you going but it is a shared responsibility; in fact your Web Designer" should be following your lead NOT the reverse... It is neither the Vendor nor the Product that matters; it is your habits and discipline I am going to focus on... Your strategy must lead to Google Visibility...

This Workshop was designed to enhance the ability of Real Estate Professionals compete in an ever increasing spirited Internet Landscape...

Testimonials from Previous Trainings:

"I attended the web strategy training with Key on Tuesday the 14th of July and the content and method of presentation was phenomenal, but I was totally sold when after following his steps, I got the first 5 returns out of 10 on page 1 of Google. That is 50% coverage on page 1 of the search engine that has over 72% of all search traffic, AMAZING. All I did was I can't tell you! You have to join EXIT and take the course so Key can get your mind right for the Google Juice."

Thanks, you have brought many things into perspective for me in Real Estate. I will stop the unproductive and focus on the productive again." - **Mike Grumbles - CFO [EXIT MidSouth Realty](#) in Tennessee.**

"Thank you so much for offering this training on web strategy. It is great to see your passion and enthusiasm. I would recommend any agent that has the time and energy to invest in their web strategy and their business to sign up for the next class available with Key. In fact I would recommend it sooner than later because one day soon Key will figure out the info is near priceless and he might try to charge what it is worth! (Ha Ha) You can pay thousands to the big SEO companies or you take the classes offered by Key and do it yourself." - **Jason Jacques, Broker/Owner of [Exit Realty in Brevard NC](#) - [Brevard NC Real Estate](#)**

"Key, thanks again for the outstanding training/information/guidance/and "kick in the pants" you provided yesterday, March 19 for the EXIT agents in the Columbia area. Your enthusiasm is tremendous and the knowledge agents now have will allow them to properly position themselves in their respective markets. We look forward to seeing you again in May!" - **Craig Summerall, Broker/Owner [Exit Real Estate Consultants, Lexington SC](#). Attended Real Estate Blogging Strategy in Columbia SC Thursday March 19th. [Lexington SC Real Estate](#)**

"Incredible, barely describes the level of expertise of Key Yessaad. I have personally met with web designers, programmers, IT gurus, etc. Their combined knowledge doesn't even equal the holistic approach of Key's understanding of the web. I have spent tens of 1,000s of dollars for the "perfect" website and lead capture systems, with poor results. After attending a 4 hour Blog training session with Key, I posted 2 Blogs and was on page 1 of Google in position 1,2 4 and 6 and had 2 sellers contact me within 72 hours ."

"Key not only shows you how the internet and Goggle work, he also teaches you everything you need to know to start building Goggle visibility for your web-site. Every class has an action plan for the student to implement. The methods and techniques are valid and verifiable. The potential power of understanding and implementing the strategy is unlimited.
