use it properly to generate Organic Traffic. Generic content is everywhere and leads nowhere; those who optimize it the right way and create good internal and external links will become visible...

Google Visibility is about proper links...

I believe that those who bring their web services and processes internally will succeed. The days of calling an external "Web Designer" or "Tech Guy" to maintain your day to day pages are over... There is still value on having Web Professionals get you going but it is a shared responsibility; in fact your Web Designer" should be following your lead NOT the reverse... It is neither the Vendor nor the Product that matters; it is your habits and discipline I am going to focus on... Your strategy must lead you to Google Visibility...

I would recommend any agent that has the time and energy to invest in their web strategy and their business to sign up for the next class available with Key. In fact I would recommend it sooner than later because one day soon Key will figure out the info is near priceless and he might try to charge what it is worth! "Hey Key, More good news because of what I learned from you. I just got interviewed by WFAE (90.7) NPR News Radio for a radio segment on how the market is in Charlotte for those wanting to relocate... what effect the banking industry has had on those wanting to move here, job availability, etc. The story is supposed to air on Sept. 29. Bottom line..... the newscaster found me by doing a search "Charlotte relocation specialist" and guess who came up in the #1 and #2 spot on Google? Yours truly! Once again, I thank you so much for your passion in teaching those of us who want to generate more business through the Internet. It is so exciting to see the little effort I've put in pay off already. Thanks and best regards." - **Nancy Winters - REALTOR EXIT Realty Advantage Charlotte North Carolina.**

"This is Jennifer Jones and I attended the training session that you did in Columbia this past Thursday. I am a fairly new agent with Exit Real Estate Solutions in NE Columbia SC. I have taken quite a few courses, both online and in person and your was by far the most informative, practical and fun! I am anxious to implement what I learned and do it WELL." - by **Jennifer Jones - REALTOR EXIT Real Estate Solutions North East Columbia SC.**

"I attended the web strategy training with Key on Tuesday the 14th of July and the content and method of presentation was phenomenal, but I was totally sold when after following his steps, I got the first 5 returns out of 10 on page 1 of Google. That is 50% coverage on page 1 of the search engine that has over 72% of all search traffic, AMAZING. All I did was I can't tell you! You have to join EXIT and take the course so Key can get your mind right for the Google Juice."

Thanks, you have brought many things into perspective for me in Real Estate. I will stop the unproductive and focus on the productive again." - **Mike Grumbles - CFO EXIT MidSouth Realty in Tennessee.**

"Key not only shows you how the internet and Goggle work, he also teaches you everything you need to know to start building Goggle visibility for your web-site.
